

Proposal for PC Meeting November 2020

That this council believes that the Parish Council Magazine should be available on-line available from the Parish Council website and other media for download.

This will broaden the exposure of our community and enable many with a connection by family, interest or past residence but living outside of the local distribution area to stay in touch with Kelsale cum Carlton.

It will also broaden the appeal of our magazine to advertisers looking for a broader exposure.

Ends.

Comment:

A short and simple phrase may be needed to be added to the terms and conditions stating that the magazine will in future be available on-line for download and contributors may prefer to have the point of contact via our Parish Clerk (?) or the editor (?) rather than furnishing their private telephone numbers etc..
