

KVH Report November 2020

I attach hereto a copy of the draft minutes from November's KVH Management Committee meeting.

We will be continuing with alternating monthly KVH meetings between 1st Saturday mornings and 1st Wednesday evenings in the hope that it may encourage others who may be time poor to take part and the next meeting will be on Saturday morning 10:30am 5th December.

Although we had zero response from the article in the last edition of Community News seeking to spread the net of involvement in the community to those who may be able to help develop a business plan for the hall we have in fact, subsequently, had some very helpful input from Julia Ewart who attended this last committee meeting.

Finances remain critical and, sadly, as any untutored eye can see the external fabric of KVH is suffering and needs attention; however there are limited funds in KVH coffers.

Initially the tasks of Treasurer and Maintenance had been combined into one job however pressure is building with regard to maintenance and it has been decided to separate those tasks. There will be a proposal from the chairperson at the next committee meeting which is expected will solve that issue.

The sale of Christmas Cards has been and continues to be a great success although Simon has his hands full keeping pace with demand so if you wish to support the village hall and take advantage of these hand printed cards, copies attached, please do so without delay.

The building's insurance continues to be a subject of discussion and investigation; it is expected that a survey and valuation will take place shortly so that we may have confidence in the insured value etc.
