

EAST SUFFOLK COUNCILLOR'S REPORT

Cllr Stephen Burroughes – April 2022

- **COUNCIL TAX £150 ENERGY REBATE**

Households in Council Tax band A to D are likely to receive a £150 Council Tax rebate from the Government to help towards the cost of living now that gas and electricity prices are going up. Eligible households already paying by direct debit should receive a one-off payment straight into their bank account from us in late April or early May and do not need to do anything. Households not paying by direct debit will need to claim the rebate which may take longer. We will contact those household to let them know how to claim. Empty homes and second homes will not get the rebate.

Local authorities Suffolk are working closely together to ensure they can deliver an effective, co-ordinated response to Government requirements to support Ukrainians seeking refuge in Suffolk. To assist this co-ordinated approach and to ensure those living and working in East Suffolk are kept informed of the Government’s response to the crisis, a new position has now been created within our cabinet and as of Friday 1 April, Cllr Judy Cloke is the Assistant Cabinet Member for Refugee Support.

- **ROBOPETS BRINGING COMFORT TO OLDER RESIDENTS**

To help older residents, especially those living with dementia, we have recently purchased 20 companion pets which are being given to local dementia groups and care homes across East Suffolk.

The pets, which are robotic cats and dogs, provide the interactive companionship associated with owning a pet which can be therapeutic for many people, especially those living with dementia. Piloted at the Memory Lane Group in Felixstowe, robopets have so far been given to Sole Bay Health Centre in Reydon, Glebe House Residential Care Home in Hollesley, the Pear Tree Fund in Halesworth and the Forget Me Not Café in Kesgrave.

- **COMMUNITY RADIO RECEIVES COMMUNITY PARTNERSHIP GRANT FUNDING**

Rendlesham Community Radio, which provides opportunities for young people to gain experience as presenters or producers, has been awarded over £1,400 in funding through the Melon, Woodbridge and Deben Peninsula Community Partnership. The station originated as a way of connecting the community during the pandemic – broadcasting for Rendlesham Youth Group’s room in the local community centre but has since grown substantially. As well as supporting undiscovered local talent by offering the chance to perform in the studio ‘live lounge’, the parish council-backed initiative aims to encourage young people to explore their potential in performing arts – expressing the challenges they face and telling their stories through their own art. Rendlesham Community Radio’s Community Radio’s £1,443.17 grant will be put towards further supporting its work around youth engagement, community cohesion, work-related learning and social isolation.
