

## **CLERKS REPORT 13/12/23**

### **Advertising revenue**

There are still 3 outstanding invoices for the advertising revenue, Joanne's Cleaning Service, First Choice Catering and FTL Electrical. I have emailed Liz about this as I feel it is unfair if they have not paid but are still appearing in the Newsletter.

Since sending out the advertising revenue invoices for December, I have heard that three of the companies do not wish to continue with an advert. One is from Jane Harvey-Davies and the others are R & M Pond Services Ltd and East Green Energy. This is a decrease of income by £250.

Liz has said she will send out a note to some of the local businesses to see if she can gather any more interest.

### **Emails**

An email was received from a forthcoming resident of the new Badger Homes estate on the Main Road. They were concerned about the possibility of development on the neighbouring fields. I passed this email onto the Planning Department at ESC, who responded quite quickly.

### **Draft Budget**

Please note that the draft budget that appears on the website for consideration at the meeting is version 2, I have updated it by placing the financial information from the end of November, this may assist with the amount of funding left in each pot this financial year.

### **Annual Leave**

Please note that I will be on Annual Leave from Thursday 21<sup>st</sup> December through to Tuesday 2<sup>nd</sup> January.

Thank you for all your support this year. I hope you all have a wonderful Christmas and best wishes for 2024.
